

## Car Racing & Golf or would it be Golf and Car Racing?

One of Ricky's hobby is car racing. He loves to take some time off and go with his buddies to watch it and enjoy the day to the fullest. This picture shows Ricky with Gill DeFerran that he met about 3 years ago along with others.

His first main hobby would be golf. Being himself a "decent palyer" as he would phrase it. He can play an 18 holes without any reluctance, always practising and perfecting his game. Golf is a way for him to relax from the pressure of the studio and life itself.
